Re: Docket No. 120209-WS - Application for increase in water and wastewater rates in Marion, Orange, Pasco, Pinellas, and Seminole Counties by Utilities, Inc. of Florida.

Dear Mr. Friedman:

We have received your e-file dated today requesting an extension of time to file Utilities, Inc. of Florida's minimum filing requirements (MFRs). Your request for a new filing deadline of March 29, 2013 is hereby approved. Please note all the other provisions set forth in the Chairman's test year approval letter dated August 17, 2012 still apply.

If your filing is accepted as complete, your petition will be deemed filed on the date the Office of the Commission Clerk receives your MFRs. To minimize any regulatory lag that may occur, we request that you file the above no later than March 29, 2013.

Sincerely,

A handwritten signature in cursive script that reads "Marshall Willis".
