In re: Petition for increase in rates by Florida  
Power & Light Company.

DOCKET NO. 120015-EI  
ORDER NO. PSC-12-0626-CFO-EI  
ISSUED: November 20, 2012

ORDER GRANTING REQUEST  
FOR CONFIDENTIAL CLASSIFICATION  
(DOCUMENT NO. 06494-12)  
(CROSS-REFERENCE DOCUMENT NO. 06386-12)

On September 27, 2012, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company (FPL or Company) filed a request for confidential classification of certain information included in Issue 30 excerpts from the Office of Public Counsel's Post-hearing Brief filed September 21, 2012. (Document No. 06494; cross-ref. Document No. 06386-12)

Request for Confidential Classification

Section 366.093(1), F.S., provides that "any records received by the commission which are shown and found by the commission to be proprietary confidential business information shall be kept confidential and shall be exempt from Section 119.07(1) [the Public Records Act]." Pursuant to Section 366.093(3), F.S., proprietary confidential business information includes information that 1) is intended to be and is treated by the company as private, 2) disclosure of the information would cause harm to the company's ratepayers or business operations, and 3) the information has not been voluntarily disclosed to the public. Confidential business information includes, but is not limited to "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms," or "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information." *Id.* at (d) and (e).

FPL asserts that the information for which it has requested confidential classification relates to the acquisition of property that is currently the subject of litigation, and to its business strategies related to property acquisition. FPL claims that public disclosure of the information would harm FPL's position in the litigation and harm its efforts to contract for property acquisitions on favorable terms. FPL claims that public disclosure of the information would harm its competitive interests, and is therefore protected from disclosure by Section 366.093(3)(d) and (e), F.S.

Ruling

Upon review, I find that the information identified in Document No. 06494 and cross-referenced Document No. 06386-12, as described in Exhibit C to the Company's Request, is treated by the Company as private, has not otherwise been disclosed, and concerns "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms," and "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information." As such, the information is protected from public disclosure by the provisions of Section 366.093(3), F.S., and thus shall be granted confidential classification pursuant to Section 366.093(1), F.S.

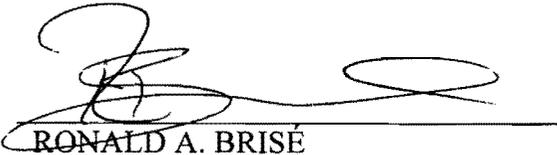

Based on the foregoing, it is

ORDERED by Chairman Ronald A. Brisé, as Presiding Officer, that Florida Power & Light Company's Request for Confidential Classification of portions of Document No. 06494-12 and cross-referenced Document No. 06386-12, as detailed in Exhibit C to its Request, is granted. It is further

ORDERED that the information in Document No. 06494-12 and cross-referenced Document No. 06386-12, for which confidential classification has been granted, shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless Florida Power & Light Company or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information. It is further

ORDERED that this Order will be the only notification by the Commission to the parties concerning the expiration of the confidentiality time period.

By ORDER of Chairman Ronald A. Brisé, as Presiding Officer, this 20th day of  
November, 2012.
