RE: Sunrise Utilities, LLC in Polk County Florida.

Dear Commission Clerk:

This letter is to advise the commission, we are interrupting water service to all Sunrise customers on Thursday December 13, 2012 between the hours of 9:30am to 3:30pm in order to conduct a Florida Department of Environmental Protection mandated hydro tank inspection.

This interruption will affect more than 10% of the Sunrise Utilities water customers.

A copy of the letter sent to the Sunrise Customers on 12/11/12 is provided.

On behalf on the Utility,

Mike Smallridge.

December 11, 2012

Dear Sunrise Utility Customer,

This letter is to inform you the Sunrise Utility water system will be off line on December 13, 2012 from 9:30 a.m. to 3:30 p.m.

Every five years, the Florida Department of Environmental Protection, FDEP, requires public water systems to inspect and clean the hydromatic water tanks. This inspection and cleaning will take place on December 13, 2012.

Also, be aware, when the water system resumes on line you will be under a boil water notice until we have certified that the water is safe for consumption. You will be notified when the boil water notice is rescinded.

On behalf of Sunrise Utilities, LLC,

Mike Smallridge
