DOCKET NO. 120161-WS  
ORDER NO. PSC-13-0097-PCO-WS  
ISSUED: February 21, 2013

ORDER GRANTING SECOND JOINT MOTION TO EXTEND  
INFORMAL INVESTIGATORY PERIOD

Utilities, Inc. of Eagle Ridge (Eagle Ridge or Utility), which is a wholly-owned subsidiary of Utilities, Inc. (UI), is a Class B utility providing wastewater service to approximately 822 customers in Lee County. On June 24, 2011, Eagle Ridge filed an application for rate increase in Docket No. 110153-SU, and the Office of Public Counsel (OPC) intervened. On December 21, 2011, Order No. PSC-11-0587-PAA-SU (PAA Order) was issued. On December 22, 2011, Eagle Ridge timely filed a protest of the PAA Order and on January 9, 2012, OPC timely filed a cross-petition protesting the PAA Order. On May 18, 2012, Eagle Ridge and OPC (collectively, "Parties") filed a Joint Motion Requesting Commission Approval of Stipulation and Settlement Agreement, which was approved by Order No. PSC-12-0346-FOF-SU, issued July 5, 2012.

In the Stipulation and Settlement Agreement, the Parties agreed that Eagle Ridge would file a petition to open a separate generic docket to address the protested issue relating to the Utility's Phoenix Project. OPC agreed not to oppose the petition, and Eagle Ridge agreed not to object to OPC raising issues regarding the Phoenix Project and other issues raised in OPC's cross-petition. On May 24, 2012, Utilities, Inc., on behalf of its Florida-subsiidiaries, filed the aforementioned petition for the establishment of a generic docket which was assigned Docket No. 120161-WS. In this Petition, the Parties agreed to a 120-day investigatory period "in order to meet informally with Commission staff in a good faith effort to resolve or narrow the disputed issues."

On October 17, 2012, the Parties filed a Joint Motion to Extend Informal Investigatory Period to hold the case in abeyance through February 28, 2013. The motion was granted by Order No. PSC-12-0604-PCO-WS, issued November 6, 2012.

On February 18, 2013, the Parties filed a Second Joint Motion to Extend Informal Investigatory Period to hold the case in abeyance through April 30, 2013 in order to continue the investigation and narrow the issues. The parties estimate that it will take until April 30, 2013 to complete the process.

The Parties have jointly requested the extension in order to continue their investigation and such request appears to be reasonable. Accordingly, the Motion is hereby granted and the investigatory period shall be extended through April 30, 2013.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
