

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for approval of negotiated renewable energy contracts with U.S. EcoGen Okeechobee, LLC, U.S. EcoGen Clay, LLC, and U.S. EcoGen Martin, LLC, by Florida Power & Light Company.

DOCKET NO. 120314-EQ  
ORDER NO. PSC-13-0103-PCO-EQ  
ISSUED: February 27, 2013

ORDER GRANTING INTERVENTION

By Petition, dated February 8, 2013, the Florida Industrial Power Users Group (FIPUG) has requested permission to intervene in this proceeding. In support of its request, FIPUG states that it is an ad hoc association consisting of industrial users of electricity in Florida, that the cost of electricity is a significant portion of FIPUG members' costs of production, and that its members require adequate reasonable-priced electricity to compete in their respective markets. FIPUG asserts that, in this Docket, the Florida Public Service Commission will consider Florida Power & Light Company's (FPL) request to approve renewable energy contracts for the purchase of approximately 180 megawatts of capacity and energy and that FPL's customers, including FIPUG members, will be asked to pay for the purchased power. FIPUG asserts that its members' substantial interests will be substantially affected in this Docket and that its interests are the type that this proceeding is designed to protect. FIPUG represents that FPL does not oppose its intervention.

Having reviewed the unopposed Petition, it appears that FIPUG's substantial interests may be affected by this proceeding. Therefore, the Petition shall be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, FIPUG takes the case as it finds it.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the Petition to Intervene filed by the Florida Industrial Power Users Group is hereby granted. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings and other documents which may hereinafter be filed in this proceeding, to:

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
