RE: Docket# 120269-WU.

Dear Commission Clerk:

I am requesting in this rate case, to replace two valves at the water plant. The two valves are described as one 6" gate valve and one 8" gate valve that are original with the system.

I will do the installation myself. I will need to order the two valves plus two Flange kits.

I have included a quote from USA BLUEBOOK.

Current utility revenues do not allow for this project to be completed at this time, I ask that these costs be included in this rate case. I anticipate being able to complete this project by the end of august of 2013.

On behalf of my utilities,

Mike Smalridge
