Re: Docket No. 120078-SU - Application for staff-assisted rate case in Brevard County by TKCB

Dear Mr. Terry:

On March 5, 2013, the Commission voted on staff's recommendation dated February 21, 2013. The Proposed Agency Action (PAA) Order No. PSC-13-0126-PAA-SU was issued on March 14, 2012. The 21-day protest period will expire on April 4, 2013. If no protest is filed, the rates and charges approved by this Commission will become final. The Utility must submit revised tariff pages for staff's approval before the Utility can implement new rates.

Enclosed are examples of revised tariffs for this Utility. Although staff has prepared revised tariffs for this Utility, it is the Utility's responsibility to make sure all tariffs submitted to the Commission are complete and accurate. A copy of the customer notice informing the Utility's customers of the Commission's approved increase must also be submitted for staff's review and approval. Once approved, the notice must be mailed to the Utility's customers prior to the Utility charging the new rates. Further, the Utility may not charge the new rates prior to the stamped effective date shown on the tariff sheets. Staff has included an example of a Commission approved customer notice.

Please mail the revised tariff pages and a copy of the proposed customer notice to:
