April 25, 2013

Docket No. 120192-EI – Robert D. Evans' formal complaint against Tampa Electric Company requesting reimbursement of money paid for installation of infrastructure on Mr. Evans' property for which Tampa Electric Company failed to complete.

Issue 1: What is the appropriate disposition of Mr. Evans' Letter?

Recommendation: Staff recommends that, if the Letter is intended to be a motion for reconsideration, it should be denied for failure to identify a point of fact or law which was overlooked or which the Commission failed to consider in rendering Order No. PSC-13-0073-FOF-EI. Similarly, staff recommends that, if the Letter is intended to be an amended petition, it should be dismissed with prejudice for failure to identify specific rules or statutes that require reversal of Order No. PSC-12-0556-PAA-EI, or to provide an explanation of the relationship between the alleged facts and the applicable statutes or rules.
