BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re:

Nuclear Cost Recovery

Clause

Docket No. 130009-EI

Submitting for filing: July 16, 2013

AFFIDAVIT OF CHRISTOPHER M. FALLON IN SUPPORT OF DUKE ENERGY FLORIDA, INC.'S EIGHTH REQUEST FOR CONFIDENTIAL CLASSIFICATION REGARDING PORTIONS OF THE RESPONSE TO STAFF'S FIFTH SET OF INTERROGATORIES NO. 24

STATE OF NORTH CAROLINA

COUNTY OF MECKLENBURG

BEFORE ME, the undersigned authority duly authorized to administer oaths, personally appeared Christopher M. Fallon, who being first duly sworn, on oath deposes and says that:

- 1. My name is Christopher M. Fallon. I am employed by Duke Energy

 Corporation ("Duke Energy") in the capacity of Vice President of Nuclear Development. I

 am over the age of 18 years old and I have been authorized to give this affidavit in the abovestyled proceeding on Duke Energy Florida, Inc.'s ("DEF" or the "Company") behalf and in
 support of DEF's Eighth Request for Confidential Classification. The facts attested to in my
 affidavit are based upon my personal knowledge.
- 2. As Vice President of Nuclear Development, I am responsible for the licensing and engineering design for the Levy nuclear power plant project ("LNP" or "Levy"), including the direct management of the Engineering, Procurement, and Construction ("EPC") Agreement with Westinghouse and Shaw, Stone & Webster (the "Consortium"), and I am responsible for reporting on the LNP to senior management.

- 3. A detailed description of the confidential information at issue is contained in confidential Attachment A to DEF's Request and is outlined in DEF's Justification Matrix that is attached to DEF's Request as Appendix C.
- 4. DEF's attachments to the Response to Staff's Fifth Set of Interrogatories (No. 24) contain sensitive proprietary and confidential contractual cost information and contract terms and conditions. DEF considers this information to be confidential and proprietary in nature, and continues to take steps to protect against its public disclosure, including limiting the personnel who have access to this information. Public release of this information would harm the Company's ability to contract for necessary goods and services by signaling to the parties with whom DEF attempts to contract that the Company will not be able to maintain the confidentiality of the parties' contractual agreements, and in many instances, the disclosure of this information would violate contractual confidentiality provisions.
- 5. Upon receipt of all this confidential information, and with its own confidential information, strict procedures are established and followed to maintain the confidentiality of the terms of the documents and information provided, including restricting access to those persons who need the information to assist the Company. At no time has the Company publicly disclosed the information at issue. The Company has treated and continues to treat the information at issue as confidential.
 - 6. This concludes my affidavit.

27509892.1 2

Further affiant sayeth not.

Chustopher M. Fallor

(Signature) Christopher M. Fallon
