Subject: Docket 130242

Good afternoon, Marshall,

This is a follow-up to the Review of Active Docket Program/Module/Submodule Assignments dated 9/30/13 for the week of 9/23/13 through 9/27/13.

Per your instruction, the OPR for Dkt 130242 has been changed from AFD to ENG. We have also changed the OCR designations to ECO and AFD. If any of that is incorrect, let us know and we'll make further revisions.
