In Re: Petition for increase in rates
by Gulf Power Company

Docket No.: 130140-EI
Date: October 9, 2013

**GULF POWER COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION
AND MOTION FOR TEMPORARY PROTECTIVE ORDER**

Gulf Power Company ("Gulf Power" or "the Company"), pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, hereby requests confidential classification of certain documents and information produced in response to Commission Staff's Third Interrogatories to Gulf Power (Nos. 38-52) ("Staff's Discovery"). Confidential information submitted in response to Staff's Discovery has been segregated and placed upon the enclosed DVD bearing the label "CONFIDENTIAL" ("Confidential Information"). This DVD should be treated as confidential in its entirety.

Description of the Document(s)

The Confidential Information is contained in Gulf's response to Interrogatory No. 39. The responsive file is identified with specificity on Exhibit "A" to this Request. In support of this request, the Company states:

1. Subsection 366.093(1), Florida Statutes, provides that any records "found by the Commission to be propriety confidential business information shall be kept confidential and shall be exempt from s. 119.07(1), Florida Statutes [requiring disclosure under the Public Records Act]." Proprietary confidential business information includes, but is not limited to "[i]nformation concerning . . . contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms." Subsection 366.093(3)(d), Florida Statutes. Proprietary confidential business information also

includes “[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.” Section 366.093(3)(e), Florida Statutes. The Confidential Information that is the subject of this request and motion falls within the statutory categories and, thus, constitutes propriety confidential business information entitled to protection under Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code.

2. Attached hereto as Exhibit "A" is a justification for confidential treatment of the Confidential Information.

3. Attached hereto as Exhibit "B" is a public version of the Document(s) with the Confidential Information redacted, unless previously filed as indicated.

4. The Confidential Information is intended to be and is treated by Gulf Power as private and, to this attorney’s knowledge, has not been publicly disclosed.

5. For the same reasons set forth herein in support of its request for confidential classification, Gulf Power also moves the Commission for entry of a temporary protective order pursuant to Rule 25-22.006(6)(c), Florida Administrative Code, protecting the Confidential Information from public disclosure.

Requested Duration of Confidential Classification

6. Gulf Power requests that the Confidential Information be treated by the Commission as confidential proprietary business information for at least the 18 month period prescribed in Rule 25-22.006(9)(a), Florida Administrative Code. If, and to the extent that the Company is in need of confidential classification of the Confidential Information beyond the 18 month period set forth in the Commission rule, the justification and grounds for such extended confidential treatment are set forth in Exhibit "C" to this request and motion.

WHEREFORE, Gulf Power Company respectfully requests that the Confidential Information that is the subject of this request and motion be accorded confidential classification for the reasons set forth herein and for a minimum period of 18 months, subject to any request for a longer period of confidential classification as may be set forth in Exhibit "C" to this request and motion. The company further moves for the entry of a temporary protective order pursuant to Rule 25-22.006(6)(c), Florida Administrative Code, protecting the Confidential Information from public disclosure.

DATED this 8th day of October, 2013.

Respectfully submitted,

- (1) The information identified on the listed files contains historical and forecasted billing demands for each of Gulf Power's large commercial and industrial customers.

The disclosure of this information could allow other customers to gain a competitive advantage over the identified customers by analyzing such data. As such, public disclosure of the information contained on these pages would adversely affect the competitive interests of the listed accounts and their ability to contract for goods and services on favorable terms. This information is competitively sensitive and confidential pursuant to section 366.093(3)(e), Florida Statutes. Moreover, Gulf has historically protected such information in recognition of its customers' expectations of privacy. Public disclosure of this information could potentially subject Gulf to lawsuits for wrongful disclosure of customer information. As recognized in Florida Power & Light v. Florida Public Service Commission, 31 So.3d 860 (Fla. 1st DCA 2010), the categories of confidential information referenced in section 366.093(3)(a)-(f), Florida Statutes, are not exclusive. The statute specifically provides that proprietary confidential business information "includes, but is not limited to" the information identified in subparts (a) through (f). § 366.093(3), Fla. Stat. While not specifically enumerated in the statute, the foregoing information constitutes proprietary confidential business information pursuant to section 366.093(3), Florida Statutes. See, Order No. PSC-09-0162-CFO (finding that customers' personally identifiable information qualifies as proprietary confidential business information under the statute).

PUBLIC VERSION(S) OF THE DOCUMENT(S)

Attached hereto (unless previously filed as may be noted below) are two public versions of the Document(s) with the Confidential Information redacted.

REQUESTED DURATION OF CONFIDENTIAL CLASSIFICATION

Gulf Power requests that the Confidential Information that is the subject of this request be treated as proprietary confidential business information exempt from the Public Records Law for a minimum of 18 months from the date of the order granting such classification.
