ORDER SUSPENDING TARIFF

BY THE COMMISSION:

On August 21, 2013, Florida Power & Light Company (FPL) filed a petition for approval of an optional Non-Standard Meter Rider tariff. The tariff would be available to customers who elect non-standard, non-communicating meter service in lieu of the standard communicating meter service. We have jurisdiction pursuant to Chapter 366, Florida Statutes (F.S.).

Pursuant to Section 366.06(3), F.S., we may withhold consent to the operation of all or any portion of a new rate schedule, delivering to the utility requesting such increase a reason or written statement of good cause for doing so within 60 days.

We find that additional time is needed for Commission staff to review the petition and gather all pertinent information in order to present this Commission with an informed recommendation on the tariff proposal.

We find that the reason stated above is good cause consistent with the requirement of Section 366.06(3), F.S. Therefore approval of this tariff shall be suspended.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Florida Power & Light Company's proposed optional Non-Standard Meter Rider Tariff shall be suspended. It is further

ORDERED that this docket shall remain open pending this Commission's final action on the utility's proposed optional Non-Standard Meter Rider Tariff.

By ORDER of the Florida Public Service Commission this 14th day of October, 2013.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is non-final in nature, may request (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code, or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code. Citizens of the State of Florida v. Mayo, 316 So.2d 262 (Fla. 1975), states that an order on interim rates is not final or reviewable until a final order is issued. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
