Water Quality:

The overall water quality is unacceptable due to sediment, taste, color and odor.

Rates:

Utilities, Inc. of Florida rates are 50% higher than the Pasco County Utility rates for our neighboring communities.

Other Comments:

The rates we are currently paying are too
much for the quality of water we receive.

Drop your completed protest form at the SRF Office desk or SRF mail slot by Thursday, August 29, 2013. All collected correspondence will be forward by the Summertree Taskforce to the Florida Public Service Commissioners.
