Re: Request to Discontinue Service/Cancel Certificate of Authority

Dear Clerk:

I am the attorney for Ring Connection, Inc. My client is a telecommunications provider authorized to do business in the State of Florida by your agency. At this time, Ring Connection, Inc. intends to discontinue providing local telephone service for its customers and otherwise cease operations no earlier than December 31, 2013. On behalf of my client, I am formally requesting that your agency cancel and/or close out the company's certificate of authority as soon as permitted by the governing rules and regulations. I am attaching a copy of the notice Ring Connection, Inc. provided to its customers on or about November 14, 2013 notifying the same of the company's intention to discontinue providing local telephone service.

Please do not hesitate to contact me if my client needs to take any additional action to accomplish this request to discontinue service and close out the company's certificate.

Sincerely,

  
Ryan Mynard

November 14, 2013

Dear Customer,

This letter is to notify you that Ring Connection, Inc. is going out of business. Unfortunately we must close our doors due to our inability to compete with the current flow of technology while still providing inexpensive and good quality telephone service.

DECEMBER 31, 2013 will be our last day of business. You will have to select another carrier as your local telephone company by the end of your account cycle date to prevent interruption of service and loss of your telephone number. If you are unsure what your account cycle date is, please contact us to avoid any inconvenience.

You have the option to select the telephone provider of your choice. A list of providers can be found in your local telephone directory. If you do not complete the process of changing service to another provider by DECEMBER 31, 2013, your service will be terminated and you will not be able to keep your current telephone number with a new provider.

We regret any inconvenience this closing may cause you and your household. If you have any questions or concerns, please contact us at 888-990-9902.

We graciously thank you for your patronage, loyalty and support as a valued customer. It has been our pleasure to have served and provided you with your local telephone service.

**NOTICE OF CESSATION AND CANCELATION OF TELEPHONE SERVICE**

Sincerely,

Ring Connection, Inc.
