**RE: Apparent violations of Sections 350.113, 367.145 and 367.161, Florida Statutes, and Rule 25-30.120, Florida Administrative Code, and possible implementation of show cause proceedings against Country Club Utilities, Inc. pursuant to Section 367.161, Florida Statutes.**

Dear Mr. Harris:

Pursuant to Sections 350.113 and 367.145, Florida Statutes (F.S.) and Rule 25-30.120, Florida Administrative Code (F.A.C.), each regulated company under the jurisdiction of the commission shall pay to the commission a regulatory assessment fee based upon the gross operating revenues for the prior year operating period.

A review of the operations of Country Club Utilities, Inc. (Country Club) shows that the utility may be violating one or more of the above-noted statutes and related rules. Section 367.161, F.S., authorizes the Commission to take enforcement action and collect penalties for statute and rule violations. Section 367.161, F.S., provides:

- (1) If any utility, by any authorized officer, agent, or employee, knowingly refuses to comply with, or willfully violates, any provision of this chapter or any lawful rule or order of the commission, such utility shall incur a penalty for each such offense of not more than \$5,000, to be fixed, imposed, and collected by the commission. . . . Each day that such refusal or violation continues constitutes a separate offense. Each penalty shall be a lien upon the real and personal property of the utility, enforceable by the commission as statutory liens under chapter 85.

RECEIVED - FPSC  
14 JAN -9 PM 3:19  
COMMISSION  
CLERK

- (2) The commission has the power to impose upon any entity that is subject to its jurisdiction under this chapter and that is found to have refused to comply with, or to have willfully violated, any lawful rule or order of the commission or any provision of this chapter a penalty for each offense of not more than \$5,000, which penalty shall be fixed, imposed, and collected by the commission; or the commission may, for any such violation, amend, suspend, or revoke any certificate of authorization issued by it. Each day that such refusal or violation continues constitutes a separate offense. Each penalty shall be a lien upon the real and personal property of the entity, enforceable by the commission as a statutory lien under chapter 85.

The operations of Country Club and its apparent violations of the various rules and statutes will be discussed below.

A. Regulatory Assessment Fees

Rule 25-30.120, F.A.C., requires that utilities pay a regulatory assessment fee (RAF) of four and a half percent (4.5%) of its gross revenues derived from instate business, or a minimum of \$25.00 if there are no revenues, or if revenues are insufficient to generate above the \$25.00 minimum. It appears that Country Club has not remitted the appropriate amount of RAFs for the years 2010, 2011 and 2012.<sup>1</sup> Section 350.113(4), F.S., provides for a penalty of five percent (5%) for the first thirty days, and an additional penalty of “5 percent for each additional 30 days or fraction thereof during the time in which the failure continues, not to exceed a total penalty of 25 percent,” and states that “the commission shall collect the fee and penalty, plus interest and all costs of collection, from the regulated company.” Further, Rule 25-30.120(7)(b), F.A.C., provides:

In addition to the penalties and interest otherwise provided, the Commission may impose an additional penalty upon a utility for failure to pay regulatory assessment fees in a timely manner in accordance with Section 367.161, F.S.

---

<sup>1</sup> See, Staff correspondence to Country Club regarding outstanding RAFs, penalties and interest:

- Letter from Office of General Counsel, dated April 23, 2013, re: notification of failure to submit 2012 RAFs and demand for payment within 15 days.
- Letter from Office of General Counsel, dated April 23, 2012, re: notification of failure to submit 2011 RAFs and demand for payment within 15 days.
- Letter from Office of General Counsel, dated April 20, 2011, re: notification of failure to submit 2010 RAFs and demand for payment within 15 days.
- Letter from Fiscal Services Section, dated May 24, 2013 re: notification of untimely submission of 2010 RAFs and demand for payment by June 7, 2013.

Staff made several attempts to work with Country Club regarding payment of Country Club's outstanding RAFs. On March 17, 2013, Country Club entered into an agreement with Staff, wherein Country Club confirmed its intent "to pay \$500 per month toward [its] past due RAFs . . ." <sup>2</sup> monthly payment plan on March 17, 2013. On September 27, 2013, Staff contacted Country Club inquiring whether Country Club would be submitting its monthly RAF payment. Country Club informed staff that it would not be making the payment and would no longer be making monthly payments as required by the payment plan. <sup>3</sup>

The Commission has not received any payments for Country Club's RAFs for the years 2011 and 2012, and has only received partial payment of Country Club's 2010 RAFs. Because Country Club's 2010 RAFs were not paid timely or in full, and it has not paid its RAFs for 2011 and 2012, statutory penalties and interest are due for 2010, 2011 and 2012.

For the RAFs, plus associated penalties and interest, due in accordance with Sections 350.113 and 367.145, F.S., and Rule 25-30.120, F.A.C., for the years 2010, 2011 and 2012, with interest being calculated through **January 15, 2014**, staff calculates the total amount due to be **\$46,220.71**. The amount due is calculated as follows:

YEAR	REVENUES	RAFS (4.5%)	PAYMENTS	PENALTY (25%)	INTEREST (THRU 01/15/14)	TOTAL DUE
2012	\$250,957.00	\$11,293.07	\$0.00	\$2,823.27	\$1,129.31	\$15,245.65
2011	\$250,425.00	\$11,269.13	\$0.00	\$2,817.28	\$2,479.21	\$16,565.62
2010	\$238,846.00	\$10,748.08	\$2,500.00	\$2,687.02	\$3,474.34	\$14,409.44
<b>TOTALS</b>	<b>\$740,228.00</b>	<b>\$33,310.28</b>	<b>\$2,500.00</b>	<b>\$8,327.57</b>	<b>\$7,082.86</b>	<b>\$46,220.71</b>

If payment in the amount of **\$46,220.71** for the RAFs, plus penalties and interest owed for the years 2010-2012 is not received by **January 15, 2014**, Commission staff may be forced to open a docket and initiate show cause proceedings against the utility. If Country Club is ultimately found to be in violation of Commission rules, in addition to being authorized to impose fines of up to \$5,000 for each day the violation continues, the Commission may impose a statutory lien upon the real and personal property of the utility, or revoke the utility's certificate, pursuant to Section 367.161, F.S.

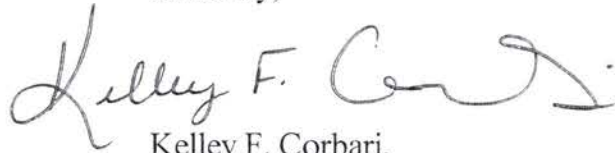

<sup>2</sup> See, Email exchange between Staff and Country Club, dated March 17, 2013.

<sup>3</sup> See Email exchange between Staff and Country Club, dated September 27, 2013.

Please note that any enforcement proceedings opened by the Commission against Country Club will only further complicate the management of this utility. Therefore, your prompt attention to this matter is required.

Should you have questions or comments regarding the matters discussed herein, you may contact me at (850) 413-6234 or [KCorbari@psc.state.fl.us](mailto:KCorbari@psc.state.fl.us).

Dear Certificate Holder:

The Division of Administrative Services has forwarded your account to our office to address the nonpayment of the Regulatory Assessment Fees (RAFs) required by Section 367.145, Florida Statutes, and Rule 25-30.120, Florida Administrative Code, for the year 2012, which was due April 1, 2013. The RAFs return form was mailed to you on February 15, 2013, and to date, Commission records reflect that payment has not been received.

**According to Florida Law, you are required to add interest charges at 12% per annum, and a 5% penalty for each 30-day period or fraction thereof, beyond the due date, up to a maximum of 25% in addition to the delinquent amount due.** In addition to penalties and interest, the commission is authorized to impose upon any entity subject to its jurisdiction a penalty of not more than \$5,000 for each offense, if such entity is found to have refused to comply with or to have willfully violated any lawful rule or order of the Commission, or any provision of Chapter 367.

Utilities are charged with knowledge of our rules and statutes. Moreover, it is general Commission practice that all utilities that apply for Water certificate receive a copy of all applicable rules. Further, in accordance with Section 367, Florida Statutes, as part of the application process, utilities provide an affidavit indicating that they have read and understood the applicable rules.

**If you wish to request another form, please contact Valorie Moore at the number below.** The payment should be identified with the company code and the company's name. Failure to provide payment within 15 days of this notice will result in the establishment of a docket to address your failure to return the RAFs form and pay RAFs in accordance with Section 367.145, Florida Statutes. The Commission may impose a fine, cancel your certificate, or place a lien on your property. Therefore, it is important that you address this matter now.

If you have paid your fees, please provide us with your check number and the date that it was paid.

Thank you for your proposal to implement a payment plan for past due RAF payments. When we spoke earlier in the week, in addition to making monthly payments of \$500, it was also mentioned that any remaining unpaid balance would be paid at closing when the utility is sold to the City of Sebring. Staff would like to confirm that this is still the case.

Mr. Maurey,

I respectfully request a six month waiver of the statutory clock for processing the SARC for Country Club Utilities (Docket No. 120172-WS). This should afford me and the City of Sebring time to complete the due diligence process and enter into a sale agreement.

I would also ask that I be permitted to make \$500.00 payments toward my past due RAF's starting on Monday, March 11, 2013 and continuing every month thereafter on or about the 15th of each month.

I appreciate your consideration and help in this matter,

I've been putting in over \$3K per month for the last two years, and now that my customers are pumping much less (due to the Water Management District scolding) that has further reduced my monthly income by another \$4K per month, coupled with the fact that the FPSC will not raise my rates (lowest in the District, 78% lower than the average) equals bankruptcy:(

Mr. Harris,

I wanted to touch base and see if you will be making the September 2013 payment towards the unpaid RAF before September 30, 2013?

If you have any questions, please contact me.
