Subject: Test year Notification, Docket 140025-EI

Good evening Andrew,

Docket No. 140025-EI has been established to address a test year notification from Florida Public Utilities Company. We have given the progmod A1a. Please let us know if this docket will be following a PAA track in order to change the progmod to A1f.

Also, please advise as to whether the correct company code has been entered into the Utilities Tab.

Thank you for your help,
