### Florida Division of Chesapeake Utilities Corporation (Central Florida Gas)

**Program:** Small Food Service Commercial Conservation Rebate Program

**Program Description:** The Small Food Service Commercial Conservation Rebate Program is designed to encourage owners and operators of small food service restaurants to purchase energy efficient natural gas appliances through the offering of commercial appliance rebates. The rebates offered within this program are limited to the specific appliance type and rebate categories depicted in the Program Criteria below.

**Program Authorization:** : The Small Food Service Commercial Conservation Rebate Program is consistent with the intent of ss.366.80, F.S., the Florida Energy Efficiency and Conservation Act (FEECA), Commission Rule 25-17.001(5)(f), F.A.C., and PSC Order No PSC-14-0039-PAA-EG.

**Program Criteria:** The rebates offered within the Small Food Service Commercial Conservation Rebate Program are applicable to the following type of commercial natural gas customer classes:

1. Small Commercial Food Service: (Commercial Food Service customers with annual consumption of less than 9,000 therms) Commercial Food Service is Defined as Establishments primarily engaged in the retail sale of prepared food and drinks for on-premise or immediate consumption. Caterers and industrial and institutional food service establishments are also included in this industry.

The rebates offered within this program are applicable to the following 3 types of rebate categories:

1. New Construction: (New bricks & mortar or complete renovation)
2. Replacement: ( Exchanging an electric appliance with a natural gas appliance)
3. Retention: ( Replacing an older natural gas appliance with a natural gas appliance)

The list below consists of the appliances rebates that are eligible for each building type

1. Small Commercial Food Service:
  - a. Water Heater
  - b. Tankless Water Heater
  - c. Fryer
  - d. Range

**Eligible Measures:** Florida Division of Chesapeake Utilities Corporation's small food service commercial customers are eligible for the rebates depicted in the Rebate Dollar Amount Table for the specific indicated appliances.

**Rebate Dollar Amount Table:** Small Food Service Commercial Conservation Rebate Program

Appliance	New Construction	Replacement	Retention
Water Heater	\$1,000	\$1,500	\$1,000
Tankless Water Heater	\$2,000	\$2,500	\$2,000
Fryer	\$3,000	\$3,000	\$3,000
Range	\$1,000	\$1,500	\$1,000
