BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

IN RE: Fuel and purchase power cost recovery clause with generating performance incentive factor

Docket No: 140001-EI Filed: March 28, 2014

FLORIDA POWER AND LIGHT COMPANY'S REQUEST FOR CONFIDENTIAL CLASSIFICATION OF CERTAIN FUEL HEDGING INFORMATION

Florida Power & Light Company ("FPL"), pursuant to Section 366.093, Florida Statutes (2014), and Rule 25-22.006, Florida Administrative Code, requests confidential classification of certain information regarding fuel hedging activities and market comparisons that is contained in Exhibit GJY-2 to the prepared testimony of Gerard J. Yupp (the "Fuel Hedging Confidential Information"). In support of its Request, FPL states as follows:

1. On March 28, 2014, FPL filed the testimony of Gerald J. Yupp, including Exhibit GJY-2, in support of its August 2013 through December 2013 Hedging Activity True-up Report. That testimony and exhibit contain information of a confidential nature. Pursuant to Rule 25-22.006(3)(a), F.A.C., FPL is filing this Request for Confidential Classification.

2. The following exhibits are included with, and made a part of, this Request:

a. Exhibit A consists of a copy of Exhibit GJY-2, in which all of the Fuel Hedging Confidential Information that FPL asserts is entitled to confidential treatment has been highlighted.

b. Exhibit B consists of a copy of Exhibit GJY-2 in which all of the Fuel Hedging Confidential Information that FPL asserts is entitled to confidential treatment has been redacted.

c. Exhibit C is a table containing an identification of the information highlighted in Exhibit A, together with references to the specific statutory bases for the claim of confidentiality and to the affiant who supports the requested confidential classification.

d. Exhibit D is the affidavit of Gerard J. Yupp in support of this request.

3. FPL submits that the highlighted information in Exhibit A is proprietary confidential business information within the meaning of Section 366.093(3), F.S. This information in Exhibit A is intended to be and is treated by FPL as private, and its confidentiality has been maintained. Pursuant to Section 366.093, F.S., such information is entitled to confidential treatment and is exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

4. As the affidavit included in Exhibit D indicates, the information provided by FPL contains trade secrets, which are protected under Section 366.093(3)(a), F.S. Specifically, the documents contain information regarding FPL's monthly hedging results for natural gas and heavy fuel oil. The disclosure of this trade-secret information would provide other participants in the fuel and financial markets insight into FPL's hedging practices that would allow them to anticipate FPL's trading decisions and/or impair FPL's ability to negotiate for these commodities, to the detriment of FPL and its customers. In addition, the confidential information relates to FPL's competitive interests. The public disclosure of this information

would also place FPL at a competitive disadvantage when coupled with other information that is publicly available, which is protected under Section 366.093(3)(e), F.S.

5. Upon a finding by the Commission that the Fuel Hedging Confidential Information in Exhibit A is proprietary confidential business information within the meaning of Section 366.093(3), F.S., such materials should not be declassified for at least eighteen (18) months and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business. § 366.093(4), F.S.

WHEREFORE, FPL respectfully requests confidential classification of the Fuel Hedging Confidential Information described herein.

Respectfully submitted this 28th day of March, 2014.

R. Wade Litchfield, Esq., Vice President and General Counsel John T. Butler, Esq. Assistant General Counsel-Regulatory Maria J. Moncada, Esq. Principal Attorney Florida Power & Light Company 700 Universe Boulevard Juno Beach, FL 33408 Telephone: (561) 304-5795 Facsimile: (561) 691-7135

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

IN RE: Fuel and Purchase Power Cost Recovery Clause with Generating Performance Incentive Factor

STATE OF FLORIDA

Docket No: 140001-EI

COUNTY OF PALM BEACH

AFFIDAVIT OF GERARD J. YUPP

BEFORE ME, the undersigned authority, personally appeared Gerard J. Yupp who, being first duly sworn, deposes and says:

My name is Gerard J. Yupp. I am currently employed by Florida Power & Light 1. Company ("FPL") as Senior Director, Wholesale Operations in the Energy Marketing and Trading Division. I have personal knowledge of the matters stated in this affidavit.

I have reviewed the documents and information included in Exhibit A to FPL's 2. Request for Confidential Classification of Fuel Hedging Information. The documents and materials in Exhibit A which are asserted by FPL to be proprietary confidential business information consist of trade secrets of FPL that contain data pertinent to FPL's hedging program. Specifically, the documents contain information regarding FPL's monthly hedging results for natural gas and heavy fuel oil. The disclosure of this trade-secret information would provide other participants in the fuel and financial markets insight into FPL's hedging practices that would allow them to anticipate FPL's trading decisions and impair FPL's ability to negotiate for these commodities, to the detriment of FPL and its customers. Disclosure of this information would also place FPL at a competitive disadvantage when coupled with other information that is publicly available. To the best of my knowledge. FPL has maintained the confidentiality of these documents and materials.

Consistent with the provisions of the Florida Administrative Code, such materials 3. should remain confidential for a period of eighteen (18) months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

Affiant says nothing further. 4.
