I forgot about that one. In that case, you need to remove Prog Mod code A3(a) from dockets **140073, 140064, and 140068**.

Good afternoon, Tom,

We have received your prog mod report with the request to add Prog Mod code A3(a) to Dockets 140065 and 140069. I believe we may need a confirmation on that as the last instruction we have from Lisa Harvey to Ann Cole is shown below. Please review and advise. Thank you for your help!

Ann,

Met with staff this morning regarding a PHO vs Administrative issue that came up yesterday in a briefing with one of the Commissioners. Staff agrees that in the future, when assigning a prog mod code to a “new or amended standard offer contract” docket, we should not use the program code A3(a). Could you please make sure it is removed from the guidelines you follow when assigning program module codes.
