Docket No. 140048-EI – Reporting Requirements for electric investor-owned utilities with Commercial/Industrial Service Rider (CISR) tariffs.

Issue 1: Should CISR tariff reporting requirements be modified for purposes of streamlining and to achieve greater consistency among Florida's investor-owned electric utilities?

Recommendation: Yes. Annually, in conjunction with the submission of December Earnings Surveillance Reports, companies with CISR tariff customers should report the total difference for all executed Contract Service Arrangements (CSAs) between the calendar year revenues that would have been received under the otherwise applicable tariff rate(s) and the CISR rate.
