Good morning,

Please find attached a PDF of the area about which you inquired. If x marks the general location, the orange east/west line running south of it is the northern demarcation of our service area there. What’s south of that line is within our boundaries; what lies north is not which appears to include the property in question.

If you want to inquire about Land Development, that number is (863) 534-6792.

Thanks,
