ORDER SUSPENDING TARIFFS

BY THE COMMISSION:

On April 1, 2014, Florida Power & Light Company (FPL) filed a petition for our approval of revisions to its Underground Residential Distribution (URD) Tariff and its Underground Commercial/Industrial Distribution (UCD) Tariff and associated charges. The URD and UCD tariffs apply to new residential and commercial developments and represent the additional costs FPL incurs to provide underground distribution service in place of overhead service. We approved the current tariffs in Order No. PSC-11-0473-TRF-EI, issued October 18, 2011, in Docket No. 110094-EI, In re: Petition for approval of revised underground residential and commercial differential tariffs, by Florida Power & Light Company. We have jurisdiction pursuant to Section 366.06, Florida Statutes (F.S.).

Section 366.06(3), F.S., provides that we may withhold consent to the operation of all or any portion of a new rate schedule, delivering to the utility requesting such increase a reason or written statement of good cause for doing so within 60 days. Our staff requires additional time to review the petition and gather all pertinent information in order to present us with an informed recommendation on the tariff proposals. We believe that this reason is good cause to suspend the tariffs consistent with the requirement of Section 366.06(3), F.S.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Florida Power & Light Company's proposed revisions to its URD and UCD tariffs and associated charges are suspended pending further review. It is further

ORDERED that this docket shall remain open pending our decision on the proposed tariffs.

By ORDER of the Florida Public Service Commission this 22nd day of May, 2014.
