Dorothy,

As we discussed, please revise the title for Docket No. 130221-TX to reflect a certificate cancellation effective date of **August 20, 2013**. In its cancellation request letter to the Commission, Covista, Inc. requested the current March 25, 2013 effective date. However, the letter was received by the Commission on August 20, 2013. A formal memorandum to Carlotta will follow to acknowledge the cancellation and close the docket.

Please let me know if you have any questions. Thank You.
