Re: Docket No. 130211-WS - Application for staff-assisted rate case in Polk County by S.V. Utilities, Ltd.: Our File No. 42038.02

Dear Ms. Corbari:

This letter is in response to your July 17, 2014 letter to Brian Altman regarding the FRWA Water Audit. In response to the Water Audit, S.V. Utilities has implemented a program to replace all of its water meters with electronic read meters. The Utility has purchased 200 such meters and to date have installed approximately 100 meters. The Utility expects all meters to be replaced within 18 months. S.V. Utilities has also replaced the Well #1 master meter. In addition, the Utility is also utilizing leak detection equipment which was recently purchased to periodically check the water distribution system.

Should you have any questions, please do not hesitate to contact me.

Very truly yours,
