BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for Approval of Optional standard Meter Rider	ıl Non-	Docket No. 130223-EI
STATE OF FLORIDA)	
PALM BEACH COUNTY)	AFFIDAVIT OF ROBERT A. ONSGARD

BEFORE ME, the undersigned authority, personally appeared Robert A. Onsgard who, being first duly sworn deposes and says:

1. My name is Robert A. Onsgard. I am currently employed by FPL as Energy Smart Florida Project Manager. My business address is 9250 West Flagler Street, Miami, Florida 33174. I have personal knowledge of the matters stated in this affidavit.

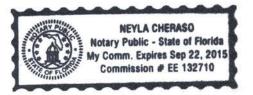

2. I have reviewed the documents that are included in FPL's Request for of Confidential Classification of Certain Documents produced in response to Intervenor Martin ET. AL.'S amended first set of interrogatories (Nos. 24 and 37) in Connection with Docket No. 130223-EI, for which I am listed as the affiant. Such documents or materials that I have reviewed and which, in whole or in part, are asserted by FPL to be proprietary confidential business information, contain or constitute competitively sensitive information and contain or constitute contractual data, the disclosure of which would impair the efforts of FPL to contract for goods and services on favorable terms. Specifically, the material consists of contractual pricing and amounts paid to a vendor for firmware licenses and firmware maintenance costs. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.

Robert A. Onsgard
