**Re: Docket No. 140001-EI; FIPUG Testimony of Jeff Pollock;
FPL Natural Gas Exploration and Production Issues**

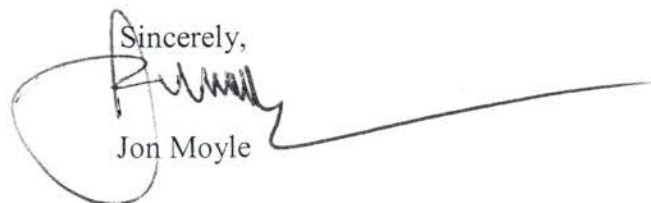

Dear Ms. Stauffer:

Please find attached for filing in the above referenced docket the CONFIDENTIAL Direct Testimony & Exhibits of FIPUG witness Jeffery Pollock.

The testimony and exhibits contain certain information that Florida Power & Light Company ("FPL") has previously designated as confidential. FPL has not had an opportunity to review completely the testimony and exhibits being filed today. I am therefore filing the attached testimony and exhibits documents as confidential to permit FPL to review the filing in detail and work with FIPUG on portions that may be confidential. (I am also told that FPL will be filing today a Notice of Intent to Request Confidential Classification related to the FIPUG confidential filing.) After FPL has reviewed Mr. Pollock's testimony and exhibits, and the parties have agreed or the commission has determined the portions that are confidential, public versions of the enclosures will be filed with your office and served on the parties.

FPL has indicated that parties who have signed an appropriate non-disclosure agreement with FPL should contact the company and ask that FPL notify me that service of the unredacted testimony can be made upon that party. Upon receiving such written notification from FPL of its consent, I will serve the unredacted version on the requesting party.

If you have any questions or concerns, please do not hesitate to contact me. Thank you for your assistance in this matter.

Sincerely,

Jon Moyle
