Good afternoon Rick, we have had a "kick back" with the fax number that we have the above Company and they are on our "Gas Safety" Mailing list. It appears that the information that we currently have listed in MCD is incorrect as to the phone and fax numbers and maybe the contact people and address also.

This is what we have listed: Mr. Alex Ballina, Director  
Phone: (786) 469-4143  
Fax: (305) 644-5225

Dawn Joiner, Regional Coordinator  
(305) 756-4161

All of the numbers just ring and no answer. Could they have moved? This is the address that we have listed. Could you also verify that is still correct?

701 N.W. 1 Court, 16<sup>th</sup> Floor  
Miami, FL 33126-3914

We need to have current information for them, so if you could let me know what their new information is would appreciate your help. Thanks. Nonnye
