AFFIDAVIT OF SAM FORREST

BEFORE ME, the undersigned authority, personally appeared Sam Forrest who, being first duly sworn, deposes and says:

1. My name is Sam Forrest. I am currently employed by Florida Power & Light Company ("FPL") as Vice President of the Energy Marketing and Trading ("EMT") Business Unit. My business address is 700 Universe Blvd., Juno Beach, Florida, 33408. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C and the documents that are included in Florida Power & Light Company's ("FPL") Request for Confidential Classification concerning information provided in my depositions regarding gas reserves for which I am identified on Exhibit C as the affiant. The documents and materials that I have reviewed (Confidential Deposition of Sam Forrest Volumes 1 and 2) contain proprietary confidential business information, including information concerning bids or other contractual data, the disclosure of which would impair the efforts of FPL or its affiliates to contract for goods or services on favorable terms. Disclosure of this information would violate nondisclosure provisions of FPL's contracts with certain vendors and impair the efforts of FPL or its affiliate to contract for goods or service on favorable terms. In addition this information relates to competitive interests, the disclosure of which would impair the competitive business of FPL, its affiliates or its vendors. Specifically, the documents contain information regarding gas reserves estimates, projected economics and other terms. The disclosure of this proprietary confidential business information would provide other participants in the fuel and financial markets insight into FPL's hedging practices that would allow them to anticipate FPL's trading decisions and impair FPL's ability to negotiate for these commodities, to the detriment of FPL and its customers. Disclosure of this information would also place FPL at a competitive disadvantage when coupled with other information that is publicly available. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than eighteen (18) months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.

Sam Forrest

SWORN TO AND SUBSCRIBED before me this 25th day of November 2014, by Sam Forrest who is personally known to me or who has produced _____ (type of identification) as identification and who did take an oath.
