Re: Docket No. 140158-WS – Application for increase in water and wastewater rates in Highlands County by HC Waterworks, Inc.

Dear Commission Clerk,

Upon review of the submission of HC Waterworks, Inc. response to staff's deficiency letter dated December 5, 2014, it was discovered that there were minor rounding differences between the rates for meter sizes above 1" on MFR Schedules E-1w and E-2w. Attached please find a Revised MFR Schedule E-1w which corrects these discrepancies for the meter sizes above the 1" meter size.

Should you have any questions, please contact me at (727) 848-8292, ext. 245.

Respectfully Submitted,

Troy Rendell
Manager of Regulated Utilities
// HC Waterworks, Inc.
