Re: Docket No. 140060-WS - Application for increase in Water and Wastewater rates in Seminole County
by Sanlando Utilities Corporation
Our File No. 30057.214

Dear Mr. Young:

On December 9, 2014 you sent Third Data Requests in the above-referenced Docket. Although typically staff requests responses be filed within 30 days of the date of the request, the Third Data Request requested responses within ten days. Sanlando Utilities Corporation is unable to meet that accelerated deadline, but is committed to providing responses by no later than December 31, 2014. Since Sanlando Utilities Corporation has waived the five month deadline by 30 days, this short extension still allows staff sufficient time within which to evaluate the responses.

If you have any questions, please feel free to contact me.

Very truly yours,
