STAFF'S FIRST DATA REQUEST
via e-mail

Re: Docket No. 150019-WS - Joint application of GCP REIT III and Sun Communities Operating Limited Partnership for authority for transfer of majority organizational control of GCP Plantation Landings, LLC.

Dear Mr. Deterding:

By this letter, the Commission staff requests that GCP REIT III and Sun Communities Operating Limited Partnership provide responses to the following data request.

1. The Polk County Sanitary Survey report dated February 11, 2014, identified several deficiencies including the water plant is not properly protected; holes in fencing; the pressure relief valve on hydro pneumatic tank is not screened; the point of entry tap does not have a vacuum breaker installed; and operator time in/out is not being recorded in the log. Have the deficiencies identified in the Polk County Sanitary Survey report dated February 11, 2014, been corrected? If not, please explain why they have not been corrected. If the deficiencies have been corrected, please also provide a letter or e-mail to Polk County verifying that information.

Please file the original and five copies of the requested information by Monday, March 2, 2015, with Carlotta Stauffer, Commission Clerk, Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida, 32399-0850. Please feel free to call me at (850) 413-6220 if you have any questions.

Sincerely,

/s/ John Villafrate
