RE: Docket 110322-EI – Florida Power & Light Company’s Second Request for Confidential Classification of document request responses and portions of audit staff’s draft report entitled *Coal Combustion Residual Storage and Disposal Processes of the Florida Electric Industry*.

Audit staff has reviewed the Second Request for Confidentiality (00918-15) for **Exhibit A** (08740-11), redacted version **Exhibit B** (08741-11), and the justification table **Exhibit C** (08742-11) submitted by FPL requesting confidential classification of the above-referenced information pursuant to §366.093(3), F.S. Specifically, the company has requested that certain portions of the “CCR Report” and “Chapter 6” of such report, as identified in **Exhibit C**, remain confidential under §366.093(3)(d) and (e), F.S. We concur.

The above confidential material pertains to a second request for extension of confidential classification (DN 00918-15). Please complete the following form by checking all applicable information and forward it to the attorney assigned to the docket, along with a brief memorandum supporting your recommendation.

- The document(s) is (are), in fact, what the utility asserts it (them) to be.
- The utility has provided enough details to perform a reasoned analysis of its request.
- The material has been received incident to an inquiry.
- The material is confidential business information because it includes:
- (a) Trade secrets;
 - (b) Internal auditing controls and reports of internal auditors;
 - (c) Security measures, systems, or procedures;
 - (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the company to contract for services on favorable terms;
 - (e) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;
 - (f) Tax returns or tax-related information;
 - (g) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information.
- The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.
- The material appears not to be confidential in nature.
- The material is a periodic or recurring filing and each filing contains confidential information.

This response was prepared by Victor Cordiano on February 18, 2015, a copy of which has been sent to the Office of Commission Clerk and the Office of General Counsel.
