RE: Docket No. 150031-GU; Petition for Approval of Transportation Service Agreement with the Florida Division of Chesapeake Utilities Corporation, by Peninsula Pipeline Company, Inc.
Request for Confidential Classification for Document No. 01221-15

On March 2, 2015, the Florida Division of Chesapeake Utilities Corporation (Chesapeake) filed a request for confidential classification for Document No. 01221-15. This document contains responses to staff's second data request and associated Attachment A. The information in the document for which Chesapeake seeks confidential treatment relates to annual reservation charges, costs to pool customers, and pro forma financial impacts of investments. Staff has reviewed the document and concurs with Chesapeake that the nature of the information meets the requirements set forth in Section 366.093(3)(d) and (e), Florida Statutes, whereby disclosure of the information would be harmful to the competitive business operations of Chesapeake.

Therefore, staff recommends that the request of Chesapeake for confidential classification of Document No. 01221-15 be approved.
