**RE:** Docket No. 150094-GP; Petition for approval of amendment to special contract with Peninsula Pipeline Company, by Peoples Gas System  
**Request for Confidential Classification for Document No. 02610-15**

---

On May 6, 2015, Peoples Gas System (Peoples) filed a request for confidential classification for Document No. 02610-15. This document is the response by Peoples to staff's second data request in the subject docket. The information in the document for which Peoples seeks confidential treatment relates to estimated construction costs for additional facilities and estimated incremental operation and maintenance expense to provide additional pipeline capacity and gas transportation service. Staff has reviewed the document and concurs with Peoples that the nature of the information meets the requirements set forth in Section 366.093(3)(d) and (e), Florida Statutes, whereby disclosure of the information would harm the competitive business operations of Peoples.

Therefore, staff recommends that the request by Peoples for confidential classification of Document No. 02610-15 be approved.
