Sir. - Reference to Docket # 140239-WS.  
Orchid Springs Development Corporation.

Due to poor Health I am a Florida Resident  
but go North when it gets HOT + return in NW.  
I can't afford rate Hikes - I live on a low  
Income which barely pays for my expenses.

I turn The Water OFF for about 6 months  
I've had to pay for water I don't use ever  
since O.S. decided to put us on meters (previously  
it was part of our maintenance fee, which I pay  
monthly even though I'm not there + don't use  
anything they offer) It's illegal to charge for  
water when you don't use it! I've been  
paying Baytree Mgmt. since 1989 Thousands  
of Dollars - had planned to sell, but Broke  
my Foot on Their Road + was Housebound for  
4 months. When my mother + I purchased in 1989  
The Community was for over 55 age. Now it has  
many young people who still work + can afford  
these fees. We seniors CAN'T - Give us a Break  
Life is Hard enough with age - Please don't make it  
more expensive I'm 80yr. old

ORCHID SPRINGS Dev. Corp

The last bill forwarded had  
amount I paid + late fees  
Even though I gave them my  
forwarding address before I  
left. Baytree didn't send  
them the check I mailed in  
May??

Bill now \$96.<sup>18</sup> if I  
don't pay on time. Can you  
imagine this for water I never  
used.

I'm paid to April 15 + turned  
off water April 20 - so I should  
only get a bill for 4 days.

I pay under my maiden  
name of CHANNARY - Married  
1st time in 1995 - Don't ask Husband  
to pay my bills. L. CHANNARY Howell
