Re: Docket 150149-WS -- Application for staff-assisted rate case in Glades and Highlands Counties by Silver Lake Utilities, Inc.

Dear Mr. Collins:

Commission staff has reviewed Silver Lake Utilities, Inc.'s (Silver Lake) application for a staff-assisted rate case as of June 19, 2015. According to your 2014 Annual Report, Silver Lake has the existing capacity to serve 405 equivalent residential connections. Therefore, your filing fee is \$1000 pursuant to Rule 25-30.020(2)(f), Florida Administrative Code (F.A.C.). **Please note, your application will be denied if the fee is not remitted by July 20, 2015, in accordance with Rule 25-30.455(8), F.A.C.**

Section 367.091(2), Florida Statutes, requires the utility to "mail a copy of the application to the chief executive officer of the governing body of each county within the service area included in the rate request." Therefore, please include with your filing fee an affidavit stating this requirement has been fulfilled. The affidavit and filing fee should be sent to:

Office of Commission Clerk
2540 Shumard Oak Blvd.
Tallahassee, FL 32399-0850

Members of Commission staff will contact you to schedule a convenient time for examination of Silver Lake's books, records, and physical plant. If you have any questions regarding the proceeding, please contact Adam Hill by phone at (850) 413-6425.

Sincerely,

Tom Ballinger, Director
Division of Engineering
