STAFF'S THIRD DATA REQUEST
AMENDED

RE: Docket No. 150085-EG- Petition for approval of demand-side management plan of Florida Power & Light Company.

Dear Mr. Hoffman,

By this letter, the Commission staff requests that Florida Power & Light Company ("FPL", "utility" and "company") provide responses to the following data requests. Please disregard Staff's Third Data Request that was sent to FPL on June 19, 2015.

1. For the Residential Air Conditioning program, please provide the maximum incentive by individual measure that was used to determine the \$208 per participant average maximum incentive. For those measures with incentive levels dependent upon equipment factors such as SEER rating, system type, or other factor, please provide the maximum incentive for each rating, type, or other factor. If measures have an incentive cap associated with them, please identify this cap as well.
2. For the Residential New Construction program, please provide the maximum incentive by individual measure that was used to determine the \$894 per participant average maximum incentive. For those measures with incentive levels dependent upon equipment factors such as SEER rating, system type, or other factor, please provide the maximum incentive for each rating, type, or other factor. If measures have an incentive cap associated with them, please identify this cap as well.
3. For the Residential Ceiling Insulation program, please provide the maximum incentive by individual measure that was used to determine the \$220 per participant average maximum incentive. For those measures with incentive levels dependent upon roofing type or other factor, please provide the maximum incentive for each type or other factor. If measures have an incentive cap associated with them, please identify this cap as well.
