WAL-MART STORES EAST, LP'S AND SAM'S EAST, INC.'S
FIRST REQUEST FOR CONFIDENTIAL CLASSIFICATION

Wal-Mart Stores East, LP and Sam's East, Inc. (collectively referred to as "Walmart"), pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code ("F.A.C."), hereby files its Request for Confidential Classification of a certain table produced by Walmart in response to Staff's First Set of Interrogatories (Nos. 1-11), specifically the table identified as Attachment No. 1, which comprises Walmart's Response to Staff's Interrogatory No. 1. The subject Attachment No. 1 contains usage information for Walmart stores in Florida, and this data is Walmart's proprietary confidential business information. In support of this Request for Confidential Classification ("Request"), Walmart states as follows.

- 1. On June 1, 2015, Walmart filed its Notice of Intent to Request Confidential Classification of Attachment No. 1, which Walmart provided in response to Staff's Interrogatory No. 1. Accordingly, pursuant to Rule 25-22.006(3), F.A.C., this request is timely.

2 The following exhibits are included and made a part of this Request:

- a. Exhibit A consists of two copies of the public version of Attachment No. 1, with the confidential information redacted.
- b. Exhibit B is a copy of the highlighted version of Attachment No. 1, showing the proprietary confidential business information highlighted in yellow.
- c. Exhibit C is a table that identifies the specific statutory bases for the claim of confidentiality.
- d. Exhibit D is the affidavit of Kenneth E. Baker, Senior Manager of Sustainable Regulation and Legislation for Walmart Stores, Inc., in support of this Request for Confidential Classification.

3. Section 366.093(1), F.S., provides that "Upon request of the public utility or other person, any records received by the Commission which are shown to be proprietary confidential business information shall be kept confidential and shall be exempt from s. 119.07(1)." Section 366.093(3), F.S., defines proprietary confidential business information to mean information that is (i) intended to be and is treated as private confidential information by the company, (ii) because disclosure of the information would cause harm, (iii) to the company's business operations, and (iv)

the information has not been voluntarily disclosed to the public. Additionally, section 366.093(3)(e) defines as proprietary confidential business information "information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information."

4. Walmart is requesting confidential classification of the data contained in Attachment No. 1 because this data is Walmart's proprietary and confidential competitive business information. Specifically, the subject data shows Walmart's energy usage on a per-store basis, the disclosure of which could be used by Walmart's competitors to Walmart's competitive disadvantage. Walmart has treated and continues to treat this data as confidential, and Walmart has not voluntarily disclosed this data to the public.

5. Upon a finding by the Commission that the material in Exhibit A for which Walmart seeks confidential treatment is proprietary confidential business information within the meaning of Section 366.093(3), F.S., such information should not be declassified for a period of at least eighteen (18) months. Additionally, the material provided should be returned to Walmart as soon as the information is no longer necessary for the Commission to conduct its business, pursuant to Section 366.093(4), F.S.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavit included herewith, Wal-Mart Stores East, LP and Sam's East, Inc. respectfully request that this Request for Confidential Classification be granted.

Respectfully submitted this 22nd day of June, 2015.
