RE: Docket No. 150153TP, Annual Certifications Related to Eligible Telecommunications Carriers (ETC) Use of the Federal Universal Support, WC Docket No. 14-58

Pursuant to Section 54.313 and 54.422 of the Federal Communications Commission's rules, all reports pursuant to this section shall be filed with the FCC, Universal Service Administrative Company (USAC) and relevant state commissions. I have enclosed a copy of the 2015 annual report and certification that has been filed with the Administrator for the following:

SAC 210336 - Windstream Florida, Inc.

Pursuant to 47 C.F.R. § 0.459 of the Commission's rules, Windstream requests confidential treatment of its (330) Unfulfilled Broadband Service Requests. This information is not made public elsewhere and due to the competitive nature of the broadband product, releasing this information would be valuable to Windstream's broadband competitors and place Windstream at a competitive disadvantage.

Additionally, Windstream requests confidential treatment of its (710) Company Broadband Service Price Offerings. Customers interested in Windstream broadband service can enter their address on Windstream's web page and receive pricing for their location. In addition, Windstream runs broadband advertising in target areas but it does not publish broadband pricing for the entire company. Broadband pricing is competitive sensitive information and not available to the public at this level of detail. Release of this data would be detrimental to Windstream as it would provide other broadband providers servicing these areas a competitive advantage.

Should you have any questions, please contact me via email at jeff.l.heacox@windstream.com or by phone at 501-748-5390.

Sincerely,

/s/ Jeff Heacox
