Re: Docket No. 150160-GU -- Petition for approval of tariff revisions to implement customer relationship management (CRM) Project, by Peoples Gas System

Dear Ms. Stauffer:

This letter will confirm our understanding regarding the Commission Staff's request that Peoples Gas System ("Peoples" or the "Company") waive the 60-day requirement for Commission action on the Company's tariff filing in the above docket (under the file-and-suspend statute) in connection with the Staff's need and desire to have the filing considered by the Commission at its September 15, 2015 agenda conference.

Peoples hereby waives the 60-day requirement for Commission action on the Company's tariff filing in the above docket (under the file-and-suspend statute), subject to the Commission's taking action on the tariff filing at its September 15, 2015 agenda conference.

We trust the foregoing conditional waiver will permit the Commission Staff the time required to prepare a recommendation on the Company's filing in time to be considered by the Commission at its September 15, 2015 agenda conference.

Sincerely,

ANSLEY WATSON, JR.
