CONSUMER COMMENTS
I Really Don't Think Sunrise Utilities should
Be getting a Rate Hike. We have Had Problems
With getting our Water Bill. We were Charged
Double one month because these well trained Employees
Could not find our meter. We Complained about this
We Read our meter and the Reading we got was Lower
That what they charged us for. We finally got a
6.00 Credit from them. But we still paid too
Much. And now the water smells bad and has
a bad taste. They have not Put any Chlorine in
the water in any at least 6 months.
