Per this e-mail, the Clerk's Office will declassify the portion of confidential DN 03489-15 that pertains only to Jeffrey Pollock and make this document available for whoever needs it.

Unfortunately, the declassified portion of this document cannot be put online under DN 03489-15, since there is still confidential information for Michael G. Lane attached to this document number.

I can suggest that if the testimony of Jeffrey Pollock needs to be online in PDF format, that I prepare the document for you and you can file it with a cover memo explaining what is attached to the memo.

Hi,

Document No. 03489 includes the testimony and exhibits of Jeffrey Pollock, FIPUG'S witness. It was filed under a notice of intent to request confidential classification by Cedar Bay. On 6/29, Cedar Bay filed its 8<sup>th</sup> request for confidential classification (Document no. 04008-15) and declared that the testimony of Mr. Pollock was not confidential. Can you release that document from confidential status so it is available to all in the docket file? I am not sure how this is supposed to work.

Thanks
