In re: Florida Power & Light Company's
Petition for Approval of Arrangement to
Mitigate Impact of Unfavorable Cedar Bay
Power Purchase Obligation

DOCKET NO.: 150075-EI

FILED: July 13, 2015

**NOTICE OF AGREEMENT REGARDING CEDAR BAY'S
TENTH REQUEST FOR CONFIDENTIAL CLASSIFICATION**

The Florida Industrial Power Users Group ("FIPUG") and Cedar Bay Generating Company Limited Partnership ("Cedar Bay") have agreed as follows:

1. Cedar Bay will soon be materially amending and supplementing its Tenth Request for Confidential Classification by including a line-by-line justification for the proposed confidential information.
2. The parties have agreed that FIPUG, rather than filing today its objections, will have additional time in which to file objections to the amended and supplemented Tenth Request for Confidential Classification.
3. Thus, in reliance upon this Agreement and the representations made regarding the supplemental filing related to the Tenth Request for Confidential Classification, FIPUG is withholding its objections to Cedar Bay's Tenth Request for Confidential Classification until Cedar Bay makes its supplemental and/or amended filing. Cedar Bay consents to FIPUG having additional time, up to and including ten (10) days after Cedar Bay files its amended and supplemental Tenth Request for Confidential Classification, in which to file any objections it may have to Cedar Bay's amended and supplemental Tenth Request for Confidential Classification.

4. FIPUG is authorized to represent that counsel for Cedar Bay concurs with this Agreement as set forth above.
