CLERK

Good Morning Marguerite and Angela:

In Docket 150075-EI, we will need 8 copies on 3-holed paper of all of the Staff Exhibits that are confidential. I will be creating red notebooks with these materials, so red folders or envelopes will not be needed. Most of these Exhibits are subsets of the document # that contains it. Thus, I may not need 8 copies of the entire document, just the applicable part.

If you find that any of these are extremely long, please alert me so I can find out if Staff can live with just part of the exhibit so we can cut down on the copying.

Let me know if you have questions. I thank you both in advance for your help with this!

The list is as follows:
