

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for approval of arrangement to mitigate impact of unfavorable Cedar Bay power purchase obligation, by Florida Power & Light Company.

DOCKET NO. 150075-EI
ORDER NO. PSC-15-0297-PCO-EI
ISSUED: July 21, 2015

ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S MOTION FOR OFFICIAL RECOGNITION

On July 6, 2015, Florida Power & Light Company (FPL), pursuant to Section 120.569(2)(i), Florida Statutes (F.S.), and Rule 28-106.204, Florida Administrative Code (F.A.C.), filed a motion for official recognition of the Federal Energy Regulatory Commission (FERC) Order Authorizing Proposed Transaction, Order No. 152 FERC – 61,013, issued on July 2, 2015 in FERC Docket No. EC15-102-000 (FERC Order). The FERC Order was attached to the motion as Exhibit A. No parties filed a response to the motion and OPC indicated that it had no objection.

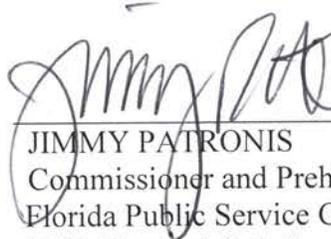

Rule 28-106.213(6), F.A.C. provides that requests for official recognition shall be considered in accordance with Sections 90.201-.203, F.S. Under Section 90.202(5), F.S., the Commission may take official recognition of official actions of the legislative, executive, and judicial departments of the United States. Also under Section 90.203(12), F.S., the Commission may take official recognition of facts that are not subject to dispute because they are capable of accurate and ready determination by resort to sources whose accuracy cannot be questioned.

The FERC Order is an official action of the judicial department of a federal agency, is not subject to dispute, and, as FPL asserts, will assist the Commission in understanding the testimony of FPL witness Kim Ousdahl with respect to the issue of the proposed accounting treatment for the proposed Cedar Bay transaction. FPL's motion shall be granted.

Therefore it is

ORDERED by Commissioner, Jimmy Patronis, as Prehearing Officer, that the Motion for Official Recognition by Florida Power & Light Company is hereby granted.

By ORDER of Commissioner Jimmy Patronis, as Prehearing Officer, this 21st day
of July, 2015.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
