Hi Cissy,

Per your request, a CLK note has been added to the document description to referenced that the attachment to DN 04589-15 is a response to staff's 3rd data request from Cedar Acres/Simons. We will add this memo to administrative correspondence for historical purposes.

Thank you for the clarification.

Dorothy

Subject: Dkt. No. 140217-WU - Cedar Acres SARC

Hi Dorothy,

I have been going through the documents in the Cedar Acres docket file mainly to see that we have responded to all of the customer letters.

I noticed that the document description for DN 04589-15 should reference that the attachment is a response to staff's 3rd data request from Cedar Acres/Simons.

I should have included the description in my email to the Clerk's office. When possible, can you please add a CLK note to the document description for DN 04589-15 to show the reference above? Let me know if you have any questions or if this should go to someone else.

Thank you so much,

Cissy
