RE: Docket No. 150172-GU; Petition for approval of amendments to special contract with Polk Power Partners, L.P., by Florida Division of Chesapeake Utilities Corporation
Request for Confidential Classification for Document No. 04706-15

Pursuant to Section 366.093(d), Florida Statutes (F.S.), and Rule 25-22.006(4), Florida Administrative Code, the Florida Division of Chesapeake Utilities Corporation (Chesapeake) has requested confidential classification of certain information provided in Exhibit A to Amendment No. 3 to the Gas Transportation Service Special Contract (page 5), in the petition in the second to the last line of page 3, as well as in the Cost of Service Study attached to the petition, on the sheet identified as "Calculation of Other Taxes," in the line "Estimated Sales Revenue."

Staff has reviewed the document and agrees with Chesapeake that the nature of the information meets the requirements set forth in Section 366.093(3)(d), F.S., whereby disclosure of the information would be harmful to Chesapeake's competitive business operations. Therefore, staff recommends that Chesapeake's request for confidential classification of Document No. 04706-15 be approved.

The above confidential material was filed along with a request for confidential classification. Please complete the following form by checking all applicable information and forward it to the attorney assigned to the docket, along with a brief memorandum supporting your recommendation.

- The document(s) is (are), in fact, what the utility asserts it (them) to be.
- The utility has provided enough details to perform a reasoned analysis of its request.
- The material has been received incident to an inquiry.
- The material is confidential business information because it includes:
 - (a) Trade secrets;
 - (b) Internal auditing controls and reports of internal auditors;
 - (c) Security measures, systems, or procedures;
 - (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;
 - (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information;
 - (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;
- The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.
- The material appears not to be confidential in nature.
- The material is a periodic or recurring filing and each filing contains confidential information.
