STAFF FOURTH DATA REQUEST

RE: Docket No. 140217-WU – Application for staff-assisted rate case in Sumter County by Cedar Acres, Inc.

Dear Mr. Simmons

By this letter, the Commission staff requests that Cedar Acres, Inc. (Cedar Acres or Utility) provide responses to the following data requests.

1. Please describe in full detail the events of the power/water outage in July 2015
2. What is the official method used by Cedar Acres in the past three years for distribution of boil water notices.
3. On the day of the power outage in July 2015 who contacted the customers about a boil water notice?
4. How long was the boil water notice in effect?
5. When was DEP notified of the boil water notice?
6. Has the utility's alarm system which alerts the manager when the plant/pump is not working been repaired? If so, please provide the invoice(s) associated with repairing the alarm system. If the repair has not been completed, please provide an explanation as to why the repair has not been completed and provide the anticipated completion date.
7. Has the tank inspection has been performed? If so, provide the invoice(s) associated with the tank inspection. If not, please indicate when the tank inspection is expected to be completed.

Mr. David Simmon
