Subject: leak survey - customer deposit

Good Morning Ms Kelley,

Just to let you know we already have on August 24 the scheduled leak survey for Alturas.

We are in the process to provide the last month's gallon usages to each customers and the site map.

I understand the leak survey is free, but I have already asked Wiley Pratt (his services are not) to assist the people doing the survey and be there.

He knows the system and knows where the meters are, and to make it certain we will have all the answers I hope the PSC will take into consideration my decision in the rate case.

If somebody can help us by giving me a call regarding some of the question we have how to proceed to start to collect deposits on accounts without having any, I would appreciate it.

Yours truly

Leslie Szabo
