**P R O C E E D I N G S**

**CHAIRMAN GRAHAM:** Item No. 10.

**MS. OLLILA:** Good morning, Commissioners.

Sue Ollila with staff.

Item 10 is Florida City Gas's petition requesting Commission approval of a ten-year program to relocate existing gas mains and associated facilities that are located in or associated with rear easements to the street front in order to improve safety and reliability. Under City Gas's proposal, costs will be recovered in a monthly surcharge. For 2016 the proposed monthly surcharge for a residential customer is 71 cents.

Staff is available for questions.

**CHAIRMAN GRAHAM:** Commissioners, any questions of staff? I have to say I think I spent the most time with this issue with staff than any other ones this time. Seeing none, I'll entertain a motion.

**COMMISSIONER BROWN:** Move staff recommendation.

**COMMISSIONER BRISÉ:** Second.

**CHAIRMAN GRAHAM:** It's been moved and seconded, staff recommendation on Item No. 10. Any further discussion? Seeing none, all in favor, say
